Be Bear Aware

As a reminder Spring has arrived and bears will be emerging from their winter dens. They are hungry and looking for any source of food. Town Ordinance 2010-01 Wild Animal Ordinance prohibits the feeding of wild animals as defined in NH RSA 207:1.

Time to take down, clean and put away your bird feeders and store them until late fall. (Birds will do fine with the natural foods available)

Dumpsters are an easy source of food for the bears. Secure your garbage in a bear proof container or a building.

Contact the Bethlehem Police Department if you have any questions.
